

Public Meeting Notice

The Virginia Departments of Conservation & Recreation (DCR) and Environmental Quality (DEQ) seek participation from members of the public in the upcoming development of a “Total Maximum Daily Load,” or **TMDL Implementation Plan** for the purpose of reducing previously observed high levels of fecal coliform and e. coli bacteria found to exist in certain segments of the *Hazel*, *Hughes* and *Rush Rivers* located in Culpeper, Rappahannock and Madison counties.

What: Hazel, Hughes and Rush Rivers
TMDL Implementation Plan Meeting #1

When: **Tuesday, September 16, 2008**
7:00 p.m.

Where: **Rappahannock County High School**
12576 Lee Highway (Route 211)
Washington, VA 22747

You are invited to join representatives of VA Dept. of Conservation & Recreation, VA Dept. of Environmental Quality, Culpeper County, Madison County, Rappahannock County, Culpeper Soil and Water Conservation District, environmental engineering firm Engineering Concepts Inc., Rappahannock-Rapidan Regional Commission, and others in this important watershed planning initiative.

For more information: Contact Deirdre Clark, Rappahannock-Rapidan Regional Commission 540.829.7450, or visit http://www.rregion.org/tmdl_hhr
