

From the Rappahannock, For the Rappahannock

— A celebration of land and water conservation —

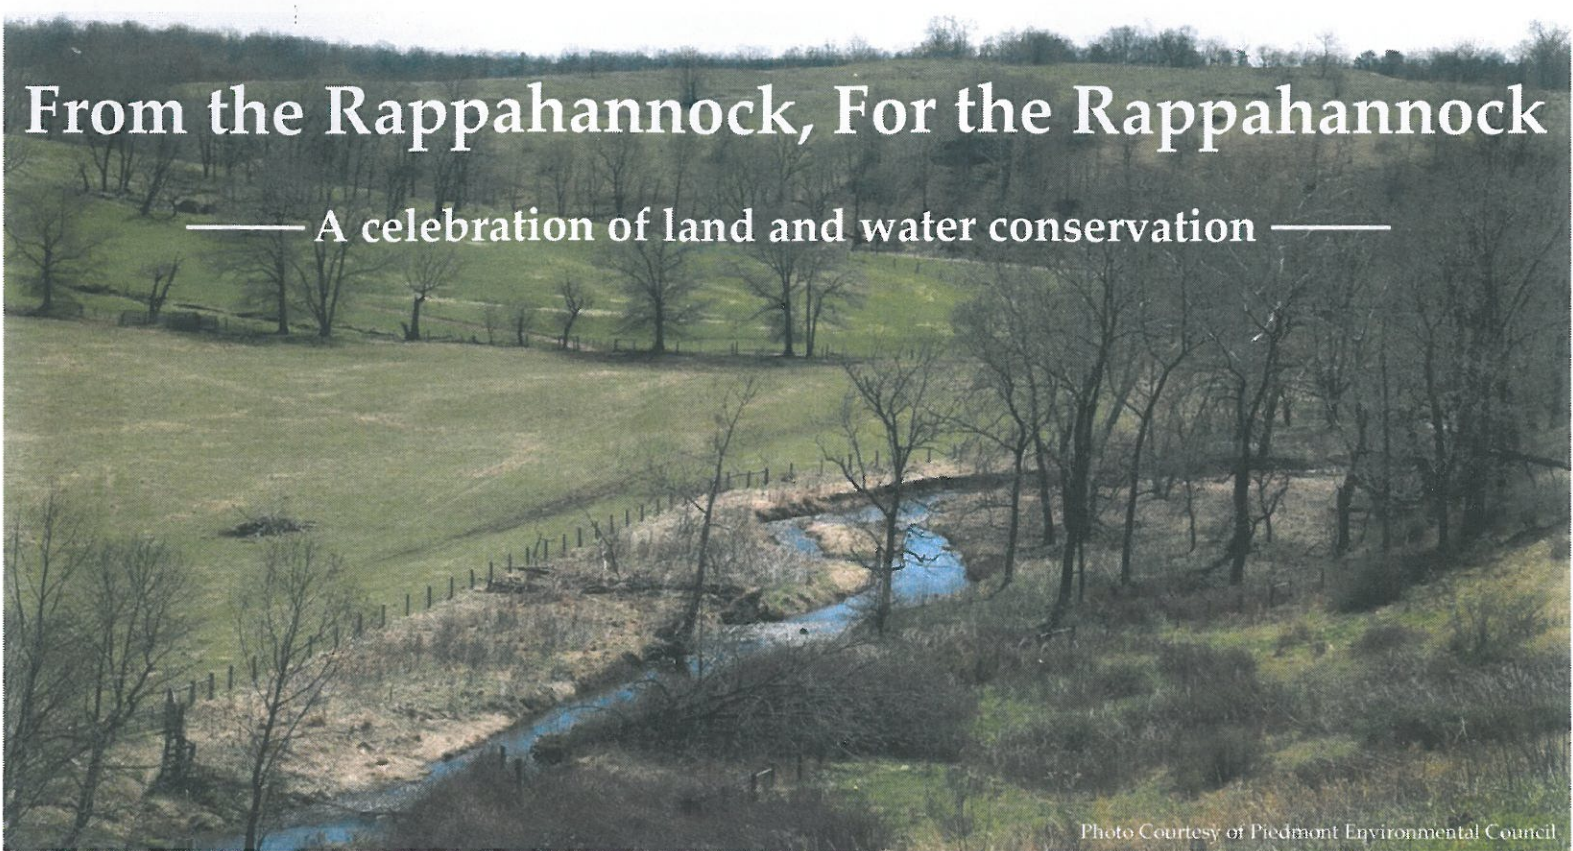

Photo Courtesy of Piedmont Environmental Council

We all live down stream and rely on clean water.

Join us for a casual, family friendly field day celebrating the continued success of our community's land and water conservation efforts by enjoying the bounty of the Rappahannock River.

Saturday April 9, 2016 1pm-4:30pm

5305 Marriott Lane Hume, Virginia 22639

Rappahannock River oysters from Oyster Company of Virginia, picnic fare, local wine and beer, live music, fly casting and tying demonstrations, and hay rides to showcase successful agricultural conservation practices. Children under 14 welcome free of charge.

Registration coming soon at www.riverfriends.org/eventspage

Want to get your hands dirty to help restore a local stream? Join us for a tree planting at Marriott Ranch before the event begins! For more information contact Bryan Hofmann at 540-373-3448 ext 112 or Bryan.Hofmann@riverfriends.org
